## U.S. ARMY 20TH SUPPORT COMMAND

## MISSION

The 20th Support Command (CBRNE) integrates, coordinates, deploys, and provides trained and ready forces, and is prepared to exercise command and control of specialized CBRNE operations to Joint and Army force commanders. Maintains technical links with appropriate Joint, Federal command and State CBRNE assets, as well as research, development, and technical communities to assure Army CBRNE response readiness. As requested, provides training and readiness oversight of reserve component CBRNE forces.
